Mr. Silver – Please be advised that your responses to CMS’ First Set of Interrogatories and Demand for Production of Documents sent to you via Federal Express packet with tracking number 880631336552 and first class mail to your current address on April 17, 2025. These responses are long overdue and this serves as a demand to produce complete responses to the same by the close of business on June 13, 2025. Thank you for your prompt attention to this matter.
